SCARTI

ACTIVITY 1- RESEARCH WORKSHOPS IN SECONDARY SCHOOLS

Responsible: Associazione culturale Gli Scarti in collaboration with Comune di Santo Stefano di Magra

FINAL REPORT FORM

Objectives To make young people and citizens aware on the history of work in the former industrial sites *Expected results*
Better understanding of young generations about the history of workforce and the importance to revitalize

former industrial sites **Outputs** Guidelines on how to carry out the research in local schools - Videos recorded during the workshops
Planned period: January 2020- June 2021

Period (start-end of Act 1) please indicate the original planned period and the final period for act 1 **Place(s)** please indicated and briefly describe the site/brownfield subject of your research

Participants please describe the type of participants by highlighting total numbers, average age, type of school involved, groups (division in group, ..), place of origin (are they from the area near by the location?)

Act 1's description please describe in detail act 1: actions, methodology and tools, outputs, personnel involved (numbers and type of workers,..)

Act 1 outcomes both on each partner's organization (possible new links, new audience, ...) and on place and area (focus on the area by audience and media,...)

Consideration and analysis please write you consideration about the whole Activity, about how it impact on your work, on the area, highlighting strengths and weakness (swot analysis)

Outputs please enlist the outputs of the act 1 (max 1500 character for each point)
